Draw earmuffs on your gingerbread man.	Draw warm mittens on both hands.	Draw winter boots on both feet.

HOW TO PLAY:

1. Players take turns rolling TWO dice together.
2. Find the matching dice combination in the chart.
3. Draw the corresponding feature on your gingerbread man.
4. If you roll a combination already completed, or a combination not listed in the chart, roll again.
5. The order of the dice does not matter. For example, 1 + 3 and 3 + 1 count as the same combination.
6. The first player to complete all nine drawing challenges wins!
