Roll an Elf!

How to play

1. Roll the die. Find that number in the first column, then look in the **HEAD** column. Draw that head on your drawing page.
2. Roll again and draw the matching **FACE**. Keep going for **BODY**, **ARMS** and **LEGS**.
3. When all five parts are drawn, color your elf and add a background.
4. Give your elf a name and write a short story about it.

	1st Roll **HEAD**	2nd Roll **FACE**	3rd Roll **BODY**	4th Roll **ARMS**	5th Roll **LEGS**
					
					
					
					
					
					

Rolled the same number twice? That's okay — mix and match to make your elf one of a kind!
